

Curriculum Vitae

Personal details: Name- Manpreet Mandair Aged 19

Contact Info: manpreet.singh2001@hotmail.com Tel: 07507342465

Education and Qualifications:

King Edwards Handsworth Grammar School for Boys 2012-2013

Hagley RC High School 2013-17

GCSE Grades achieved: 9 A*s, 2 A's in subjects Maths, Chemistry, Biology, Physics, English Lit, English Lang, Geography, Business and economics, Computer Science, Further Maths and Religious Studies.

A-Level grades achieved: A A B in the subjects Maths, Chemistry and Computer Science respectively.

University: I am currently a second-year student at the University of Birmingham studying Computer Science with an industry year.

Work experience: I have previously worked at DPD, the Logistics Company, I worked as part of a team, where deadlines and communication were important. I have also spent some time working at my local One Stop store. Therefore, I have experienced working with customers and working behind the till.

Interests and achievements: I enjoy playing sports and chess, playing for Halesowen Town FC and Halesowen Cricket Club. I was voted player's player of the season two years in a row (2015/16 and 2016/17) for Halesowen Town FC. Also, I spent time playing chess for Staffordshire Country Chess. In 2014, I played for North Worcestershire District cricket enduring a number of trials to gain myself a place in the team. In 2018, Hagley RC High School presented me with an award for making the most the progress in year 11.

Skills: I work well under pressure and perform well as part of a team as shown through my footballing past. I can also work well individually shown through my cricketing and chess participation. I work well under pressure and can concentrate well for large amounts of time when I need to complete a set task.
